WOMEN'S ATHLETIC ASSOCIATION

HANDBOOK

1939—1940

DEDICATION

We, the staff of the 1939 Handbook, dedicate this volume to those students of Anderson College who, by their efforts and their interest have contributed to the development and support of the Women's Athletic Association of Anderson College.

MILDRED NASH ..... Editor

HELEN MOYE ..... Assistant Editor—Business Manager

A WORD TO THE NEW STUDENTS

Girls, if you are interested in sports you will enjoy them more if you have the proper clothing. Start getting them ready before you leave home.

Slacks are used on many occasions. They are worn around the buildings, on hikes, and over your gym suits when it is cold. It will be necessary for every girl to have a pair to match her gym suit this year.

Regulation gym suits are bought at school. The sophomore class will wear green suits this year and the freshmen will wear blue ones. Your slacks should be either blue or green, according to your class standing. Get yours before you leave home if possible. They can be ordered at school.

Bring a pair of tennis shoes with you, preferrably white. They are used in all gym classes. Bring your tennis racket and balls, skates, a low heel pair of oxfords for walking, tap shoes for dancing if you are interested, and any other sports clothes you may have.

Sweaters are very useful. Sweat shirts in colors will be required and will be ordered with the gym suits.

Girls, athletics affords much pleasure for all. Many hours are spent in healthy exercise and you want to always be comfortable. Come prepared to enjoy a year full to the brim with fun and activity.

Miss Samuels, Physical Education Director.

GREETINGS! NEW STUDENTS

New students, you have something to look forward to when you get to Anderson! It's something you won't **dare** to miss, for the old **girls** won't **let** you!

The **old** girls know what it is to be a part of the W. A. A. and they are going to start teaching you what it is the day you set foot on the campus. They love the fun and recreation the organization offers, and you will soon learn that fun and recreation are necessary ingredients of college life.

This is **one** time you won't care to be **different**—for **everyone's** a member of the Women's Athletic Association!

Helen Moye, President W. A. A., '40.

W. A. A. TRADITIONS

Even an athletic association has traditions! First comes Freshman Rally Week. The W. A. A. sponsors a treasure hunt, a swimming party, stunt night, and a big supper hike. During this week all the new students have the opportunity to become acquainted with the W. A. A. and the things we do.

Next comes the Tennis Tournament. Why not try out for a team? If you are not so good, the experience is what you need. Practice your six hours and enter.

Nothing is more fun than the Annual Hallowe'en Carnival. Then comes the Hocky Tournament followed by the big Hockey Banquet. This is one of the biggest affairs of the year.

Tumbling, ping-pong, shuffle board, and bowling are enjoyed during the cold weather.

Then come all the spring sports and the tournaments. Join in the Track Meet, the Archery Tournament, the Soft Ball Tournament, Ring Tennis, and Badminton.

The last and crowning event is May Day. Who will be Queen? Every one takes part in this program, and it proves to be one of the most spectacular affairs of the year.

Since the W. A. A. is one of the most active organizations on the campus, no girl can afford to miss such an opportunity for fun, wholesome recreation, and association with other girls. Look at the W. A. A. calendar if you don't think we are always busy.

HOCKEY

One, Click! Two, Click! Three, Click!—and the blue team has it. Look at her dribble down the field—she passed the ball—they're almost to the striking circle—Hurrah! the green team intercepted the pass. They're taking it down to the green's goal. Another pass—more dribbling—and the greens have it. They are playing real Hockey today because the winning team will be the champions for the year.

Freshmen, here's your chance to become a member of the Women's Athletic Association, so come on and make this team.

The grand climax of the Hockey season is the Hocky Banquet, given for the old and new members of the W. A. A. We hope that you will be there.

Etrulia Poore, '40.

DANCING

Natural dancing, Folk dancing, Clog dancing, Country dancing, Character dancing and Tap—what a wonderful chance for joy, health, and exercise, together with grace and freedom of movement. The music is good, and you will enjoy it.

People of all times have had dances. Man's emotional impulse found an outlet through the dances. Prayer, ritual worship, ceremonies of birth, manhood, marriage, and death were expressed through the dance. Every family, every tribie, every race, had its god and its dances.

May Day is the crowning event for the dancers. This is one of the most spectacular events of the year. Everyone is in it. Come and join in the fun.

BADMINTON

You'll just have to join the Badminton team. It is a year-round game, and is played inside and out. It won't take much energy to knock the shuttle-cock over the net, and keep it going as in tennis. Girls, you'll love the fun and excitement you'll get when you join the Badminton Team.

Estelle Hollingsworth, '40.

TUMBLING

Would you like to take a tumble? Tumbling is really fun. If you are acrobatic, you can have a chance to show off; if you aren't, now is the time to learn.

Handstands, flips over back, headstands, cart wheels, dives, forward rolls are only a few of the things learned in tumbling. Perhaps the most fun is building of pyramids. Here is an opportunity to see just how good you are.

Sally Piper, '40.

ARCHERY

Watch that arrow fly right in the bull's eye. Come on, girls; with a little practice you can shoot your arrow right in the center of the target. It's lots of fun, too, and it helps to get that posture that you love. What time can I expect you on the field?

Elizabeth Crain, '40.

HIKERS' CLUB

"Hurry up! I want an Angel on Horseback!"

"Boy, oh boy! Don't these hot dogs smell good!"

To anyone who likes to eat, the Hikers' Club is just the thing. Hike across the fields and work up a terrific appetite; to top it off with a supper cooked over a fire of your own making. What a time!

You not only have oodles of fun singing, whistling, talking, laughing and wading in the creeks, but you also get something that will stay with you. The spirit that helps form a personality, and the good air and exercise will help anyone. By all means, remember that membership in the Hikers' Club points toward membership of the W. A. A. and puts you one step nearer that coveted block A. Remember, also, that if you are not able to take strenuous exercises or physical education, this is just the thing for you, for anyone can join the Hikers' Club.

Helen Willis, '40.

SHUFFLE BOARD

Shuffle Board is the last word in fun, and just suits a rainy day! Watch everyone flock around when the game begins, and they stay until it's over. When you see it, you'll have to join in.

Wilda Berryman, '39.

SKATING

Skating is a sport you can't afford to miss. If you fall, it's still fun—mostly for others.

It requires only a few bumps to learn, so bring along some skates whether you already skate or not.

Skating parties are fun for all, especially when a marshmallow toast is the climax of the party.

By all means, don't forget your skates.

Mary Collins, '41.

VOLLEY BALL

The game is on! Back and forth the ball goes over the net. "Hit it!" Don't let it go out!"

The crowd excitedly watches the ball as it soars from side to side. Just keep the ball in the other team's court, and the score is yours!

Come on, girls, join in the fun. You'll like it!

Sue Clark, '40.

HOCKEY GOLF

If you have ever played golf, you can certainly play Hockey Golf; and what's more you will love to play it! With a hockey stick and hockey ball, you try to hit posts in as few strokes as possible. As in golf, the persons with the lowest score wins.

Hockey Golf is good all year round, and remember, it gives you one more credit toward that coveted Block "A".

Rachel Bannister, '40.

BICYCLING

There are many paved roads about Anderson College perfect for bicycling. Nothing is much better than coasting along on a "bike" with a cool breeze fanning your face.

The bicycle club meets every Saturday afternoon, bicycles can be rented cheaply and a dull afternoon is turned into a good time. By all means join the Bicycle Club!

Hallie Thompson, '40.

HORSESHOES

Limber up that old arm of yours and get ready to sling the horseshoes!

With a little practice, you can wrap a horseshoe around the stake forty feet away. The more skill each player acquires, the more exciting the tournament will be.

The horseshoe is a sign of goodluck, so I say, "Horseshoes to you."

Nellie Anders, '40.

BASKETBALL

The greatest of all winter sports is basketball. The thrill of an accurate shot—the pride in a perfect goal. Teamwork and mental ability are required to get the ball within range of the goal. We cannot describe the many sides of basketball. You must come out and see for yourself.

Martha Moore, '40.

TENNIS

Tennis is fast becoming one of the most popular major sports in America. It is the one sport that may be continued when the class room days are over.

So all of you beginners come out and learn how to handle your racket with skill. All you need is a racket, tennis shoes, balls, and some shorts.

Our instructor will be glad to help you at any time. Remember that you get credit twice in one school term, for we have singles in the fall and doubles in the spring. Everyone come out and let's see who will be tennis champion in 1940.

Helen Smith, '40.

SOCCER

If you love excitement and fun, just enter into a soccer game and you will surely get your share of the enjoyment.

It is easy to play. All you do is put the ball down at the fifty-yard line and give it a kick-off. Play your position and dribble off to the striking circle, then with a good drive send it between the goal posts.

I urge you to enter and see for yourself what fun we have!

Evelyn Mahaffey, '40.

BASEBALL

Girls, you can expect to find me on the field any day after the first day of Spring! You will also find the students, co-eds, and faculty members indulging in a hot and exciting game of baseball. It is the most exciting time of the year, when boys challenge girls, and girls challenge faculty, and everyone is out yelling for the best team!

Perhaps you have never played baseball, but most of us play our first game after we come to college. When spring comes, don't get the spring fever; get the baseball fever!

Come on out, and see who will win the tournament.

Evelyn Armstrong, '40.

TRACK

Come on, girls, here's your big chance! Just pick your choice—fifty-yard dash, shuttle relay, baseball and basketball throw for distance, high jump, tennis, volley ball, and ring tennis serves, hop-step—and jump. There's enough for everybody on the track team—so, don't all rush at once!

Elizabeth Prince, '39.

PING-PONG

With several hundred "klick-klicks," and careful watching on the part of the players, a game is soon played. Two or four may play. Just a little time is required—yet it's lots of fun and a swell pastime! With the good equipment we have, there should be more girls than ever out for Ping-Pong this year.

Ouida Powell, '40.

CONSTITUTION OF W. A. A.

ARTICLE I—NAME.

The name of this organization shall be the Women's Athletic Association of Anderson College.

ARTICLE II—PURPOSE.

The purpose of this organization shall be to develop love for play that will persist in post college days; to develop sportsmanship, and a healthful attitude for a successful life.

ARTICLE III—MEMBERSHIP.

Membership in the association shall be open to any woman in Anderson College upon payment of fee at pay day. All students who participate in activities, attend meetings, and pay the fee, are classed as active members.

ARTICLE IV—OFFICERS AND MANAGERS.

Section 1. The officers of the Association shall be President, Vice-President, Secretary, Treasurer, Chairman of Membership Committee, Editor of the Handbook, and Publicity Chairman.

Section 2. There shall be an Advisory Council consisting of the officers, general managers of the different activities, and a faculty advisor.

Section 3. Managers shall be elected for every activity.

ARTICLE V—ELECTION.

Section 1. All officers and managers shall be elected at the first meeting in March and shall take office immediately upon election.

Section 2. Voting in elections shall be done by secret ballot and majority vote.

Section 3. The president shall appoint a nominating committee of three members from the sophomore class to nominate officers and managers for the next year.

ARTICLE VI—MEETINGS.

Section 1. Meetings shall be held twice every month ,the date set at the beginning of the year.

Section 2. All special meetings of the entire association shall be advertised three days in advance.

Section 3. Any special meeting of the Advisory Council may be called at the discretion of the President of the Association.

ARTICLE VII—AMENDMENTS

Section 1. One-half the members of the Association shall constitute a quorum for the passage of an Amendment. A two-thirds vote of those present is required for the passage of an amendment.

Section 2. A proposal for amendment shall be posted three days prior to the date to be voted on.

BY-LAWS

ARTICLE I—DUTIES OF OFFICERS AND MANAGERS.

Section 1. President—She shall preside at all meetings of the Association. She shall call meetings when necessary. She shall appoint all

committees. She shall have power, subject to the Association, to see that everything necessary to the best interests of the Association is performed. She shall preside at all meetings of the Advisory Council.

Section 2. Vice-President—In absence of the president, her duties shall be fulfilled by the vice-president. She shall have charge of all social activities of the Women's Athletic Association.

Section 3. Secretary—She shall keep an accurate record of the Athletic Association and of the Advisory Council. She shall keep two copies of the constitution correct to date. She shall take charge of the clerical duties to be performed for the Association. She shall keep absentees posted.

Section 4. Treasurer—She shall collect all dues and attend to all financial obligations of the Association.

Section 5. Chairman of the Membership Committee.

(a) She shall attend to the initiation of all new members.

(b) She shall instruct all members of the Association on the constitution and duties of the members of the Women's Athletic Association.

(c) She shall keep a record of all games and sports and girls who receive awards.

Section 6. Reporter—She shall write all articles concerning the W. A. A. for both the YODLER and paper. She shall advertise all programs, activities, parties, etc., sponsored by the organization.

Section 7. All General Managers—These shall assist the Physical Education instructor in promoting her activities and shall turn a complete list of all who participate to the Membership Chairman immediately.

ARTICLE II—MEMBERSHIP.

Secton 1. Any member who is absent without excuse, from three consecutive meetings of the association, shall be made inactive.

Section 2. Any member who has been dropped from the active list of the Women's Athletic Association, may be reinstated only by special recommendation by the Membership Committee.

ARTICLE III.—DUES.

Section 1. Dues of the organization will be $1.00 per year.

Section 2. These dues shall be paid in a special fee on pay day at the beginning of each semester.

ARTICLE IV—AWARDS.

Section 1. Only active members of the W. A. A. shall be eligible for awards, hold office, and vote.

Section 2. Only three credits are allowed each season.

Section 3. A numeral shall be awarded to each girl who has three credits.

Section 4. A letter shall be awarded to a girl who has six credits.

Section 5. A star shall be awarded to a girl with each three credits after winning a block A.

ARTICLE V—LIST OF ACTIVITIES.

Activities are Hockey, Soccer, Hockey Golf, Volley Ball, Hiking, Basketball, Tumbling, Ping-Pong, Shuffle Board, Skating, Track, Baseball, Archery, Ring Tennis, Horse Shoes, Badminton, Dancing and Bowling.
